Hi Scott,

I need a little more information on three of the P-Chem requests. Could you possibly send me the three documents listed below? Possibly just having the first page may help me locate the full document.

Thanks in advance,

Dawn Ex. 6 - Personal Privacy

Please find the corrected version. Will this list, in this format, allow you to identify the studies?

Thanks for your help.

Scott,

Please note that I have started going down the list. We have already submitted some of the studies you are asking for again. Please provide a revised list. In addition, the second attachment needs additional study information and please format differently. It is very difficult to read when printed off.

Thanks in advance,  
Dawn

Scott,

Are you SURE that none of the attached studies have not already been submitted? Do you have report numbers for the second attachment? Please note that I am off several days next week.

Thanks,  
Dawn

☐

Hi Dawn.

The second half of the request. We are seeking entirely non-CBI versions of the referenced studies. I'm at Personal Phone / Ex. 6 today.

Please call to discuss if this is desirable.
